SERMON OUTLINE

Sermon: To Know God Is To Love Him

Text: Romans 8:31

Thesis: Don't Bury The Lead.

- I. The Most Deceitful Lie Ever Is That God Is Somehow Against Us.
 - A. Let's look at the evidence.
 - B. Now, let's see where this lie came from.
- II. We've Doubted God's Goodness And This Has Caused Many Other Problems.
 - A. Trusting this terrible lie postures us against God.
 - B. This posturing then leads to our rejection of God.
- III. God Is For You.
 - A. This is the lead story of all our lives.
 - B. Never lose sight of this truth.

Conclusion: There is a simple rule of thumb in journalism. That rule is that you never bury the lead story. The words "God is for you" is that lead. It's so important that you and I ought to double back to it over and over. Do it daily, but never forget it. Look, if you don't love God, then you probably don't know God. I urge all of us to come to know the God that is, not the God who isn't. Those who reject God because they believe He is against them are really rejecting who God isn't.
