SERMON OUTLINE

Sermon: The Tipping Point

Text: Romans 8:31 - 33

Thesis: The Cross Is Proof Of God's Acceptance.

I. The Tipping Point, Is When We Believe Without Any Reservations.

A. Examine the evidence.

B. A Reservation is a fancy way of saying doubt.

II. The Tipping Point, Is The Revelation That God Doesn't Just Love Us, But Likes Us.

A. Love is powerful, but sometimes we need a little more.

B. God truly cares and wants to be our ally in life.

III. The Tipping Point, Is The Revelation That He Loves Us Enough To Die For Us And Cares Enough To Want To Spend Eternity With Us.

A. Let's look at the simple facts.

B. We all need a little convincing at times.

Conclusion: I hope your faith will accept the facts spelled out from this passage and take you to the point of no return. I hope you will take these facts in full acceptance and they will change the way you see our struggles and stumbles. God is not waiting for you to fall and be hurt. He is there working through all the messes we might make in life. May we find our tipping point.
