

SERMON NOTES

Sermon: Get Sized For The Ring

Text: Romans 8:37

Thesis: We've Won And That's A Fact.

I. Pride Is Believing Something About Yourself Which Isn't True.

A. This world is full of pride.

B. To avoid pride we tend to avoid these clear cut truths.

II. False Humility Is Not Believing Something About Yourself Which Is True.

A. False humility is worse than pride ever dared to be.

B. Truth is to be shared.

III. The Truth Declares Us As "More Than Conquerors."

A. The truth is shared through the strongest evidence.

B. So since all of the Word is truth, then so is this.

Conclusion: When in the book of Revelation it says, "To him who overcomes," it uses the same word as we have in this verse. And each time a promise is attached. Included is the right to eat from the tree of life, a white stone which a new name on it and the right to sit on the Father's throne. We will overcome, but some will say how. The answer is simple, "in Christ." This promise is a fact. There are no if, ands or buts about it. You've been sized for your ring and for your crown.
