

SERMON NOTES

Oh Yes, You Have A Calling I Corinthians 1:26-29
Thesis: You Are Where God Desires You.

I. Only God Can Call You.

- A. Being called is not the same as being hired.
- B. This call is not only to salvation.

II. Your Job Is Your Sermon.

- A. Every day you are preaching an important message.
- B. Be prepared always to give an answer.

III. Your Colleagues Are Your Congregation.

- A. It's not about a salary.
- B. Serve the ones you have access to.

Conclusion: The gospel is a marvelous and life changing message. But it does nothing left here in the church like a forgotten Sunday school book. Don't leave it here. Pick it up and take it with you. Take it to work with you. God has called you to a task and that task is to share the hope of Christ. What you do at work tomorrow is your sermon. Those around you are your congregation. This is not just a calling. You have been commissioned by God to take His message. Mark Batterson once said, "Sometimes the greatest sermon is doing a good job at a bad job or doing a thankless job with a grateful heart." May God bless your work.
