

## SERMON NOTES

Sermon: All Things Are Possible

Text: Philippians 4:13

Thesis: Nothing Is Impossible.

### I. To An Infinite God All Finites Are Equal.

- A. God has no limits, that He hasn't Himself set in place.
- B. Finites are all the same to Him.

### II. Where Others See Problems God Sees Solutions.

- A. This world is full of problems.
- B. But God sees and shares solutions.

### III. Where Others See Impossibility God Sees Opportunity.

- A. The word impossible is heard often in our world.
- B. The impossible is God's opportunity.

Conclusion: Like Troy Murphy's door, God is telling us, "Don't say I can't." Don't face your life's situations with a defeatist attitude. All types of struggles are finites and all of these are the same to God. Remember God sees problems, but He's not stumped to them because He sees solutions. He's heard all the things which men have called "impossible," but He's not intimidated by that because impossible is just his opportunity.
