

## SERMON NOTES

Why His Love Is Virtually Impossible To Explain

Text: Ephesians 3:17 – 19

Thesis: There's A Black Hole Worth Exploring.

### I. Logic Won't Get You To God's Love.

- A. His love is beyond logical.
- B. His love is theological.

### II. God's Love Is Measureless.

- A. It doesn't fit neatly in a box.
- B. It just don't fit in the confines of the human brain either.

### III. The Only Way To Receive God's Love Is Via Revelation.

- A. Something a run-on sentence and three verses can't do justice.
- B. God has a side door to bring this into our reality.

**Conclusion:** Now how do we get a grasp on this love with revelation. Well, my friends this is where the Holy Spirit comes in. We step out in faith, where we don't see everything or understand everything and trust His love to be just as Paul saw it. To let it do and work the way it has done many times before in countless men and women ho needed to be soaked with this love. Which brought the Creator running for a chance to show and share His great great love. Come explore this amazing black hole, that will change you forever.
