

SERMON NOTES

Sermon: The Ladder

Text: I Corinthians 6:12

Thesis: The Ladder Is Not Life.

I. The Ladder Is Not The Game.

- A. Life is not about ladders.
- B. God can guide us to contentment.

II. The Ladder Is Not Family.

- A. Funny thing about ladders.
- B. Ladders are not relationships.

III. The Ladder Is Not God.

- A. However, some try to make this switch.
- B. No ladder can bless and guide.

Conclusion: How grateful are you this morning? If you are, to whom are you grateful? I bet none of us will say to the ladders of life. And if you said to God, then my response is this, are you showing this. If so, then you're off the ladder and on the solid ground of truth which He has lovingly shared. You see Jesus didn't choose to climb up, He climbed down and came here to us.
