

SERMON NOTES

Wise Dads Know How To Lead Luke 6:39 & 40
Thesis: The World Needs Good Male Leadership.

I. Wise Dads Lead At Home.

- A. They model Christ's leadership in their marriages.
- B. They model Christ's leadership with their children too.

II. Wise Dads Lead In The Community. (I Timothy 3:2 & 7)

- A. We should have a good reputation with our community.
- B. Paul gives us a good check list.

III. Wise Dads Lead In The Church.

- A. Be involved with a local church.
- B. Be an example at church.

Conclusion: There are followers and then there are leaders. Just saying you're a leader doesn't make it so. Don't tell me you're the head of your home, if you're not the spiritual leader you should be. Making more money than your wife doesn't make you a leader. Loving her and your kids enough to step up is what makes you a leader. Men, your leadership is needed in your homes, your communities and in the church. Remember God is watching.
