SERMON NOTES

How Do We Change It? James 4:7 - 10 Thesis: It's Time To Take America Back

- I. Adjust To The New America.
- A. 9/11 changed us all.
- B. The future could be quite different.
- II. Become Spiritual Parents To Detached Youth.
 - A. Our youth are still our future.
 - B. Ask God to help us with our youth.
- III. Disconnect From The Tyranny of Technology.
 - A. Our families are at risk.
 - B. Monitor the violence as well.

Conclusion: We have been hit time and time again by the changes which are going on in our world, our nation and our communities. Parkland was terrible beyond description. So was Vegas, Boston and we could go on and on. But know this, we can take this world back from the One who invented hate and violence. Let's put Satan on alert.
