SERMON NOTES

Sermon: Just Sick Of It

Text: John 4:4 - 6

Thesis: There's Hope For Your Sickness.

I. This Woman Was Sick Of The Daily Grind.

- A. It wasn't just about the water.
- B. Life was meant for more than existing.

II. This Woman Was Sick Of Dodging The Other Women.

- A. Life wasn't meant to be a dodge ball game.
- B. Don't bring sickness to your corner of the world.

III. This Woman Was Sick Of Being The Subject Of Whispers.

- A. You can get help for this terribly serious problem.
- B. This woman had heard even whispers to last her a life time.

Conclusion: There are a lot of people who are sick and tired of being sick and tired. And I want you to know and to share that there is help. I want you to help me to convert the church, that means making you and I into a well. A well where people can draw from to find hope, help and fulfillment. That they will never avoid us, but come to embrace and join us. Be people who can give hope for the daily grind, and where they know there is no tolerance for the whispers which rip people's hearts out.
