SERMON NOTES

Sermon: Our Place Of Refreshing

Text: 2 Corinthians 11:21 – 31

Thesis: Only One Well Will Satisfy.

I. Paul Wasn't Refreshed By The Church's Approval.

- A. This can be a dangerous refreshment.
- B. The church is where we bring refreshment.

II. Paul Wasn't Refreshed By The Positive Response Of Influential People.

- A. We all like to be responded to.
- B. Paul had the opportunity to interact with prominent people.

III. Paul Wasn't Refreshed By The Opportunity To Preach To Crowds.

- A. Preaching can be exciting.
- B. But preaching was not the well for refreshing.

Conclusion: Friends, there is only one well which will bring everything you need to make it in life and eternity. This well is Jesus. He will guide us to what we need most. He will correct and chasten us when we need it. He will give us another chance and support us as we mend and grow. Flesh will fail us. Ours and that of others, so our only hope is in the Lord. Don't look for the approval of others, the interaction with anyone or others, or even our service as the well. These things are not your well.
