## SERMON NOTES

### Sermon: Channeling The Frustration

Text: Galatians 4:19 & 20

Thesis: Let Frustration Empower You.

#### I. Be Empowered To Take What Is Enslaved And Set It Free.

- A. There are so many around us enslaved.
- B. Nothing is much better than free.

#### II. Be Empowered To Take What Is Broken And Mend It.

- A. Broken is a bad state to be in.
- B. Jesus is quite the repairman.

#### III. Be Empowered To Take What Is Diseased And Restore It.

- A. Life on earth is full of disease.
- B. The disease of our world is curable.

**Conclusion:** Friends, the best cure for the worst of diseases is no good till it is shared, given or administered to the patient. The Great Physician has brought us into His practice. He has the instruction manual for us to follow. He has given us the proper staff to help. You may be frustrated at the vast amount of sick and ailing. But no one gets healed and helped until we channel our frustration in the work of the Lord. Let's do this together.
