## SERMON NOTES

### Sermon: Let The Frustration Motivate

Text: 2 Corinthians 5:1 – 4

Thesis: Let's Get Energized And Partner With God.

#### I. Be Empowered To Take The Hated And Change It To Love.

A. We tend to be unable to separate deeds from people.

B. This is why we're called, by God to love our fellowman.

#### II. Be Empowered To Take The Dirty And Clean It Up.

A. Sin has left many very dirty.

B. Grace and mercy alone can clean.

#### III. Be Empowered To Take What's Wrong And Make It Right.

A. There's a lot wrong in our world today.

B. We are on the side of right and if it's going to be done it's up to us.

**Conclusion:** I'm frustrated by the news on TV and in the papers. Everywhere we hear the news of evil and sinfulness. I get upset, even mad at times. But I need to do something with these deep emotional feelings. These storms create lots of energy and wind if you would. Let's build wind mills to capture this energy and do something to initiate change. Life doesn't have to be this way, if God's people will get in the game and each of do something to change things. We can't do it all, but we all can do a little something. We can make better days and not just wait for them to magically appear.
