SERMON OUTLINE

Sermon: **It's All In The Details** - Text: John 2:1 – 10

Thesis: **What Matters To You Matters To Him.**

I. The First Miracle Of Jesus Is About Saving Face.

A. People are creatures with lots of feelings and emotions.

B. Jesus cared about how people felt and thought.

II. God Is Great Because Nothing Is Too Big.

A. Many may use this as a license to ask for everything.

B. Many will see the hope which exists in this fact.

III. God Is Also Great Because Nothing Is Too Small.

A. Life is about the details.

B. God is well aware of all our details.

Conclusion: Christ performed many miracles and touched many lives while He was here on the earth. He did so to improve and bless lives. He did so to glorify His Father in heaven. Nothing was ever too big, and nothing was ever too small. His love motivated Him so much that He would move mountains not just to save a life, not help someone save face. This is the great God, we serve.
