## SERMON OUTLINE

Sermon: He's Got This

Text: John 4:46-53

**Thesis: A Humble Plea And An Opportunity Are All That's Needed.**

### I. Desperate Times Call For Desperate Measures.

A. We will do anything to help those we love.

B. We will humble ourselves and look to God, not matter our level of faith.

### II. God Will Move Heaven And Earth To Respond To A Humble Plea.

A. God is moved by humility.

B. God's best answer often comes from where we least expect it.

### III. The Second Miracle Has Both Physiological And Geographical Ramifications.

A. Jesus showed a mastery of the physiological.

B. He also had mastery of the geological.

**Conclusion:** This miracle is proof positive that our lives are under the watchful eye of God above. He had a divine appointment setup that few knew about. All the characters were brought together to put on display the glory of God. The right person in the right place and at the right time. There is but one explanation how all this could have happened. God could be, at any time, setting any of us up for His next big appearance.
