SERMON OUTLINE

Sermon: What America Really Needs

Text: Titus 3:1

Thesis: American Needs Christ To Survive.

I. America Needs A Memory.

A. Christianity refuses to forget why America exists.

B. A nation who forgets the origin of her rights, could lose them.

II. America Needs A Conscience.

A. Christianity helps to give Americans a conscience.

B. These founders believed an American without a strong moral influence could not last.

III. America Needs A Heart.

A. We need to keep a heart of mercy.

B. We need to put this heart on display regularly.

Conclusion: There is one more thing that America needs and that is grace. Americans need to hear the central message of the gospel. That which John 3:16 points out so well. God gave up everything to win us back. And America needs that. So let's help America get her memory, her conscience and her heart back.
