## SERMON

**Sermon: A Promise You Can Take To The Bank**

**Text: Numbers 11:31 & 32**

**Thesis: It Doesn’t have To Add Up When God’s Multiplying.**

### I. Moses Cashed In God’s Promissory Note.

A. God paid him off in quail.

B. This was a huge dividend.

### II. God Delivered Quailmageddon.

A. This was a powerful experience to behold.

B. These people were given clear, indisputable evidence of God’s love.

### III. Recorded In The Book Of Arithmetic Is A Miracle Which Does Not Add Up.

A. Here lays a pun of biblical proportions.

B. God makes many good points here.

**Conclusion:** Friends we’re going to be challenged with the storms of life. But remember with Him it’s always cloudy with a chance of quail. You need will never be larger than His provision. The law of measures is a promise from God. Moses found it to be true. And you can take this to the bank. You will never overdraw the Lord.
