SERMON

Sermon: The Window Of Opportunity

Text: **Philippians 1:6**

Thesis: **Your Window Is Never Closed With God.**

I. God Can Create A New Pathway.

A. Sometimes a way where there seems to be no way is important.

B. God has not stopped creating.

II. God Could Repair An Old One.

A. Nothing is closed to God.

B. No one repairs like God.

III. God Is A God Of Second Chances.

A. This is a thriving business.

B. He's still at the helm of the company.

Conclusion: The stories we have shared this morning are not hypothetical situations, but they are real people with real problems. And one of these could have been one of us or someone we knew very well. It is never too late. It is never too little. With God, we never say never. God's got a window just waiting to be opened for what problem or issue you have. This is the faith I have, and I ask you to have as well.
