SERMON

Sermon: Stop And Listen Text: Psalm 46:10

Thesis: Don't Be Distracted And Miss His Voice.

I. Silence Is The Difference Between Sight And Insight.

A. In our rush and hustled pace we want to see.

B. Life was mean to be more than by sight.

II. Silence Is The Difference Between Happiness And Joy.

A. Man has a strange fascination with being happy.

B. God's will and desire is for us to have joy.

III. Silence Is The Difference Between Fear And Faith.

A. Fear causes people to fill the air with noise.

B. The Faithful stop and wait upon the Lord.

Conclusion: I urge you to be still and wait upon the Lord. He may not be immediate in His response, but know He's got your answer. Acknowledge His Lordship in your life and praise His name. Make sure He is exalted in your life, your choices, your lifestyle and your words. You'll be amazed at what your silence and His voice will do for your life and current situation.
