# SERMON

Sermon: Listen To It All

Text: I Samuel 3:9 & 10

Thesis: We Need To Listen Intently.

## I. Listen To All God Says Or You May Not Hear Anything He Says.

A. We like good reports and good news.

B. Seek to hear it all.

## II. In Order To Hear His Comforting Voice You May Have To Listen To His Convicting Voice.

A. No one comforts like the Lord.

B. But God is a Father who desires our obedience.

## III. It's Often What We Want To Hear Least That We Need To Hear Most.

A. There are lots of things we never want to hear.

B. There is much we need to hear from God in the span of a lifetime.

**Conclusion:** When Samuel took what God told him to his master Eli, I'm sure he was stunned. God revealed the sin of his sons. He said Eli was guilty for not dealing with them and discipling them and correcting them. And due to this Eli's family would all be dealt with. Friends, are we listening for and to God's voice? Are we tuning in to the good, the bad and the ugly? God may be trying to fix some things in your life and that of others, through you. Listen now, why there is opportunity to mend, repair and make right.
