# SERMON

**Sermon: He's Still Speaking      Deuteronomy 5:26 - 29**

**Thesis: Those Listening Will Be Blessed.**

### I. God Chooses To Speak Through Desires.

- A. Man needs motivation.
- B. God works through desires too.

### II. God Chooses To Speak Through Promptings.

- A. God uses these to persuade, encourage and remind us things.
- B. Promptings are interesting.

### III. God Chooses To Speak Through Pain.

- A. God can speak through physical pain.
- B. God can speak through emotional pain as well.

**Conclusion:** In the context of our passage the people knew how blessed they'd been to have heard the voice of God. They wanted to continue to hear it, but through Moses. They even make a commitment to listen and to obey. And God gives them His promise that if they do and as long as they do things will go well with them and their children. I pray that we will be as committed to hearing and obeying His voice.
