

ANNOUNCEMENTS

- ❖ A representative from the **Gideons** will be with us this morning, **June 11th**. We will hear of their ongoing work to share God's Word during our morning service.
- ❖ **We are starting our new ministry effort at Mt. Pleasant today as we reach out to the deaf and hearing impaired community.** This opportunity came to our attention earlier this year as we discovered that there are not Christian Churches in the Greenville area that provide services for this community. We will have an ASL interpreter in the Worship Service to provide sign language for some hearing impaired guests that have been invited. It is our hope that this ministry will start out small and grow over time. Please keep this ministry in your prayers. We pray that people who currently have no local option for meaningful worship will be led to a fulfilling worship here with us.
- ❖ The K-5 student classes will be combined for the summer due to vacations.
- ❖ **CORN, CORN, CORN!** The MPCC youth are selling sweet corn again this year! Corn is .50 cents per ear, and is estimated to be ready at the end of June. Pre-Orders are **OPEN NOW!** Use the QR code below to place your pre-order or sign up in the foyer.

SERMON

Sermon: Listen Carefully

Text: Isaiah 30:19 – 21

Thesis: You Don't Want To Miss His Message.

I. Mordecai Found His Whispering Spot At The King's Gate At Susa. (Esther 2)

A. Mordecai was taken captive, but his faith wasn't

B. Mordecai was moved to send Esther for consideration.

II. Ezekiel Found His Whispering Spot At The Kebar River. (Ezekiel 1)

A. In a foreign land God still speaks.

B. God opened Ezekiel's eyes as well.

III. Daniel Found His Whispering Spot In A Upstairs Window. (Daniel 6:10 ff)

A. Daniel found himself in a tight situation.

B. God does His best work in tight places.

IV. Jonah Found His Whispering Spot In The Belly Of A Great Fish.

A. You're not the first one who ran from God.

B. Jonah made a call and God answered on the first ring.

Conclusion: The stories behind these four characters are absolutely amazing. But in each one God spoke in a manner and language which they heard and understood. And the message of the Word was pushed along a little further. God's message hasn't changed. So to you and I He says, "This is the way; walk in it." There may be different specifics as unique as we each are, but the direction is the way. Where might you meet God and find your whispering spot?
