SERMON

Sermon: He's Not A "Used To" God

Text: Revelation 3:20

Thesis: God's Best Work Is Yet To Come.

I. God Still Speaks.

- A. Every day is a red-letter day.
- B. God is speaking every day and everywhere.

II. God Still Heals.

- A. He heals things in our past.
- B. He heals the wounds of sin.

III. God Still Delivers.

- A. He delivers on all His promises.
- B. He delivers the sinner from the penalty of sin.

Conclusion: Church let's work hard to be like the first century church. Let's pray with expectation. Let's use the Bible like a blueprint or instruction manual. Let's share the hope of Jesus with those around us by both word and deed. Let's be serious and expect big and wonderful things. God is not done with our world yet. The best is truly left to be done.
