SERMON

Sermon: Seling Our Souls To Our Culture

Text: John 10:25-30

Thesis: Silence All The Voices, But God's.

I. Many Have Allowed Culture To Define Success For Them.

A. Culture has a distorted measuring tool.

B. God has the truth measuring tool.

II. Many Have Allowed Culture To Conform Us To the Pattern Of The World.

A. The world values those who don't swim against the flow.

B. God uses those who stand with His Will and truth.

III. Many Have Let Culture Have The Loudest Voice.

A. The loudest isn't always the best.

B. Be a clear voice for God and His Will.

Conclusion: Church, have we sold our souls to the culture around us? Will we choose to go with the flow? Remember broad is the way which leads to destruction. It takes a special person to be a leader, not a follower. Make your own decisions, based on God's Will as related in His Word. If you don't hear and follow His voice, then maybe you belong to another flock. But you can decide which shepherd to follow.
