SERMON

Sermon: Being A Good Model

Text: **Philippians 3:17-21**

Thesis: We Follow Those We Respect.

I. A Model Mother Lives Purity.

A. Integrity is never lost on a child.

B. Make integrity a priority.

II. A Model Mother Seeks Peace.

A. This starts in the home.

B. Learn not to be offended at everything.

III. A Model Mother Lives Respectfully.

A. They are respectful of the needs and feelings of others.

B. They seek to bring honor, dignity, and stability to their home.

IV. A Model Mother Demonstrates Sacrifice.

A. Family members come first.

B. Their love has no "I" in it.

Conclusion: Being a mother is no task for wimps. It's hard work being the example that God has called you to be. Living a pure life where peace is a priority can be difficult. Living a life of respect for others and being sacrificial is a tall task. But godly women will make these their goals. Let's highlight and support their efforts. This is your day mom's. Enjoy and God bless your efforts.
