HAPPY FATHER'S DAY

SERMON

It's A Matter Of Time - James 4:13 & 14
Thesis: We All Have Problems With Timing.

I. Even Characters From The Bible Had Timing Issues.

A. We all remember the story of the foolish virgins. (Matthew 25)

B. Being late has some liabilities as well.

II. Our Heavenly Father Had A Flawless Sense Of Timing.

A. God has great timing.

B. Jesus displayed a keen sense of timing as well.

III. Dads Ought To Consider Timely Fathering.

A. Fathers need wisdom to discern what the right thing is.

B. We also need God's help to know when the right time to apply His wisdom.

Conclusion: Fathers, we must get serious about being the spiritual heads of our homes. Our kids are hanging in the balance. If we don't get on the stick and get working on this in a timely manner the souls of our kids could be lost. I want the best life on earth has for my kids and grandkids, but more than that is that I want truth to have a chance in their lives. I want them to see Christ lived out before them and to desire Him in their lives as well. They won't catch it by accident. Seeds must be planted, watered, and cultivated in order for a harvest to be had. Let's get about timely fathering.
