SERMON

Sermon: The Progression Of Sin

Text: Romans 15:5 & 6

Thesis: Be On The Alert For The Early Warning Signs.

I. The First Sign Might Be With Our Attitude.

- A. We are to have the same attitude as Christ.
- B. Too often we have the attitudes of the world.

II. The Second Sign Might Be Our Actions.

- A. Much is revealed by our actions.
- B. When it's not completely evident who we're serving here might be a problem.

III. The Third Sign Would Be Our Habits.

- A. This is stage three for sin.
- B. The Bible often notes the habits of people to give a comparison.

Conclusion: My intention for this message is not to offend you or anyone. However, if you feel a bit that you, then the Holy Spirit has told you that you may have some dangerous symptoms. And now is the time to do something about it. Isaiah 53:6 tells us, "We all, like sheep, have gone astray." But you have a chance to get your recovery and cure due to the grace of God. Will you come?
