AMONG THE CROWD Matthew 7:26

Thesis: The Lost Is A Diverse Group.

I. One Part Of The Lost Are Irreligious.

- A. Christianity is not just a religion.
- B. The irreligious are a growing group in today's cultural climate.

II. One Part Of The Lost Are Undesirables.

- A. These are people whom others have written off.
- B. Scripture doesn't teach us that anyone is out of reach for God.

III. One Part Of The Lost Are The Spiritually Confused.

- A. These are people who are struggling to know which way to turn.
- B. Jesus wants to clear this confusion.

IV One Part Of The Lost Are The Morally Bankrupt.

- A. These are folks with no morals or those who gave their morals up.
- B. There is a right and a wrong in the sight of God and they are quite different.

Conclusion: Now we have looked at a few of the members of the lost in our world. All of them are made in the image of God and loved dearly and deeply by Him. It's our duty to our Father to make our faith contagious and spread it as far and wide as possible. Who will you reach towards before it's too late?

Please remember to place your tithes & offerings in the plates as you enter or exit the service - Thank you – Have a blessed week!!
