The **Ladies Aid** will be **collecting baby items**, such as baby clothes, diapers, wipes, bottle, blankets, items babies would need for the **Carolina Pregnancy Baby Shower**. Your generosity will be greatly appreciated.

Church Photo Directory

We need your help to complete Mt Pleasant's new photo directory! The directory will showcase our families, provide contact information and become a useful resource to keep us connected as the body of Christ. Each family will have their own page inset in a 3-ring binder that will allow updating easier as changes occur.

Photos, digital or print, are requested to be given to Dan Black by end of day April 19, 2026. If you do not have a photo and would like one taken or have any questions please contact Dan Black 258-0897 or dblack@smdagency.com.

Do This Daily Acts 17:11

Thesis: The Word Sharpens And Molds us.

I. The Word Keeps Us Open To The Spirit's Leadings.

A. And when led by the Spirit we are within the Lord's will
B. The Word makes the leading of the Spirit more recognizable.

II. The Word Keeps Us Eager To Influence Others Outside The Church.

A. We often sell short the importance of influence.
B. The word encourages all saints to be a positive influence in our world.

III. The Word Keeps Us Loving And Tender Before God And Each Other.

A. God does His best work within the humble.
B. The church must be also humble within her ranks.

IV. The Word Keeps Us Tuned Into What's Important.

A. Nothing is more important that kingdom matters.
B. Churches have gotten off track because she was tuned to the wrong channel.

Conclusion: The Bereans were said to have been of more noble character. We see this due to their eagerness towards the truth and their daily searching of the Scriptures. And reading throughout the book of Acts we see the early church growing and having great influence in her world. So much that Rome was frightened by this new establishment of faith. I'm not sure the world is as fearful today. Let's get back to be contagious, like the early church. It begins with each of us and then sharing with one more.
